EDUCATION

University of Missouri Bachelor of Science, Business Administration: Marketing Minor: Economics GPA: 3.62/4.00 Expected: May 2027	Columbia, Missouri
--	---------------------------

PROFESSIONAL EXPERIENCE

Center for Transformative Technology <i>Intern</i> - Collaborated within a 4-person team over an intensive 8-week program to replace manual operational workflows with end-to-end automated digital solutions - Architected multi-platform automation workflows across Typeform, Zapier, Airtable, and Asana to eliminate manual data entry and streamline client communication - Delivered a final executive presentation to leadership and stakeholders, demonstrating the prototype, technical architecture, and operational value	Columbia, Missouri <i>June 2026 – July 2026</i>
Lake Forest Country Club <i>Golf Cart Attendant</i> - Ensured customer satisfaction by monitoring needs and fulfilling special requests - Provided efficient and friendly service to members while working in a fast-paced environment - Assisted customers with navigating the golf course and directing them to appropriate locations	Dardenne Prairie, Missouri <i>August 2022 – May 2024</i>
Freelance Yard Maintenance <i>Self-employed, various clients</i> - Performed regular lawn care duties to ensure well-maintained outdoor spaces - Delivered high-quality power washing services for driveways, patios, and outdoor furniture, enhancing the curb appeal of clients' properties - Managed time efficiently to complete tasks within set deadlines, often working independently with minimal supervision	Lake Saint Louis, Missouri <i>May 2025 – August 2025</i>

VOLUNTEER EXPERIENCE

Jenny's Wildlife Wonderland <i>Marketing Intern</i> - Captured photo and video content for marketing and fundraising purposes - Used platforms such as Instagram and Facebook to create social media content aligned with nonprofit marketing goals - Assisted with website design, messaging, and updates	Columbia, Missouri <i>February 2026 – May 2026</i>
Volunteers in Medicine <i>Marketing Assistant</i> - Utilized Canva to design flyers to promote health services, increasing community awareness of free clinic resources - Collaborate with healthcare staff to translate medical information into accessible, patient-friendly marketing content - Support the organization's mission to provide healthcare access by creating culturally sensitive marketing materials for diverse audiences	Lake Saint Louis, Missouri <i>September 2025 – January 2026</i>
Camp Braveways <i>Camp Counselor</i> - Summer camp for children with cancer and other blood-related diseases, providing emotional support, organizing activities, and fostering a positive, inclusive environment - Developed strong interpersonal and teamwork skills while demonstrating empathy, resilience, and adaptability in challenging situations	Fenton, Missouri <i>July 2024, 2025</i>
